**LAKESIDE CENTER METROPOLITAN DISTRICT
2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Lakeside Center Metropolitan District (District), a quasi-municipal corporation and political subdivision of the State of Colorado, was organized on December 14, 2009, and is governed by the provisions of the Colorado Special District Act and other applicable statutes governing political subdivisions. The District's boundaries are located in the Town of Lakeside, Jefferson County, Colorado. The District was organized to provide financing for the construction of a part or all of the public improvements.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes Section 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary Information page of the budget using the adopted mill levy imposed by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

PILOT Revenues

In connection with the exclusion of a parcel from the District's boundaries, the District currently collects, from the Owner of the excluded property, payment in lieu of taxes (PILOT) as follows: (i) in an amount equal to the certified assessed valuation of the excluded property for the applicable tax year multiplied by 0.002 for so long as the District is both required to make and actually makes payments to the Town of Lakeside pursuant to the Street Maintenance IGA, and (ii) for a period of thirty (30) years in an amount equal to the certified assessed valuation of the excluded property for the applicable tax year multiplied by 0.003.
